

SUU School of Business Student Trip Drug and Alcohol Policy

Southern Utah University Policies and Procedures, Student Conduct Code

Section 11.10.f: Students are not allowed to transport or consume alcoholic beverages on University-sponsored trips.

SUU School of Business Student Trip Policy and Rational

Trip participants, trip leaders, and advisors are not allowed to consume, purchase, be under the influence of, or possess any alcoholic beverages or illegal drugs at any SOB sanctioned events. Policy violations will result in removal from the trip at one's own expense.

The use of illegal drugs and/or alcohol impairs one's ability to perform service, poses a safety risk, and can damage group dynamics.
